DRAFT ANSWER.

N° 4528 Dy-1 21.3.13.

729.

(a) to (d). The improvements to the Basavannah channel were begun in 1925-26. The raising of the anicut had to be postponed, as, during inspection, the Suptg. Engr. found the anicut unstable. Certain other works also had to be postponed in order to let down water for the benefit of the standing sugarcane crop under the Roya channel.

(e) & (f). The Govt. have no information on these points.

2. Originally there was an appropriation of Rs 1,50,000 under B.E. for the current year for the improvements to the Basiavannah channel for which an estimate amounting to Rs. 4,24,000 was sanctioned in G.O. No. 445 I dt 19.12.24. During the year a total sum of Rs 85,000 has been incurred out of the budget appropriation for the work as under

(a) Rs. 12000 - Doubts were raised by the D.E. during inspection of the annual accounts regarding their stability

(b) Rs. 15000 - Certain works had to be postponed in order to allow private bein

let down the Roza channel for the benefit of the standing sugar cane crop

Rs. 23,000 - for the same reason the improvements had to be restricted to the lower reaches. ¶ 10 of 'O'

Rs 35,000 - surrendered owing to the outbreak of plague in the locality. ¶ 12 of 'O'
